**WASHINGTON LADY
SURELY SUFFERED**

Mrs. Louise Callahan, 3622 O St. N. W., Relates How Plant Juice Benefited Her.

The natural vegetable medicines are constructive in their action, soothing inflamed tissues, strengthening weak parts, toning up sluggish organs, and gently stimulating them to natural vigor and activity. They build up the health of the whole body. The other, on the other hand, acts by substitution; they practically have violent, irritating and poisonous properties, and in place of the natural action of the organ, they goad it to a violent reaction, which leaves it inflamed and exhausted and less able to do its proper work. The next time it will depend on the drug, and a habit is quickly formed.

Thousands of people are preserving their health and building up their happiness and usefulness by the use of the new herbal stomach remedy, Plant Juice. Nature's own peerless tonic. Not a day passes but what statements are received from well-known local people, telling of the benefits derived from Plant Juice, in illness of long standing.

The signed statement of Mrs. Louise Callahan, who lives at No. 3622 O street northwest, and is a well-known lady of this city, having many friends and acquaintances, was recently received. Mrs. Callahan tells how her mother was relieved of a severe case of stomach trouble by Plant Juice, as follows:

"My mother had suffered for four years with stomach and kidney trouble. Her food fermented and formed gas and she would bloat and be in terrible misery after eating. She could not sleep at night on account of the pain, and was subject to convulsions; she had been confined to the house for three years. She was in such constant misery. She had headaches, her liver was sluggish, she was constipated and very weak and completely run down. We had read in our home papers of the number of people who had been cured by Plant Juice, and I decided to get a bottle for my mother. It has made her feel like a new woman, she can eat anything now and digest it, she is not so tired, she sleeps well at night, the pain in her head has left her as well as the buzzing noise in her ears; it has relieved her of the convulsions."

The Plant Juice Man is at The People's Drug Store, corner of 7th and E streets N. W., where he is daily meeting the local public and introducing and explaining the merits of this remedy. Advt.

WHITE HOUSE TO BE KEPT DARK TONIGHT

Usual Election Party Will Be Held at Shadow Lawn. President's Relatives There.

The President and Mrs. Wilson, who will receive the "returns" of the election at Shadow Lawn, will have with them a small company of relatives and close friends, to whom the result is of much moment.

The Secretary of the Treasury and Mrs. McAdoo went to New York Sunday, the Secretary to cast his vote and Mrs. McAdoo to remain with her father until after election day. The Secretary will join her at Shadow Lawn this evening.

Mrs. Wilson's mother, Mrs. W. H. Bolling, and Miss Bertha Bolling have been guests at the summer White House for some time. An election night party at the White House has been a feature of almost every election when a President was candidate for re-election since the days of the Chief Executive from town detracts a bit from the interesting atmosphere of the occasion.

Prince Andrea and Princess Margaret Boncompagni, who are visiting the princess's mother, Mrs. William F. Dwyer, expect to sail for Europe Saturday. They will go to Paris for a short stay, and are due to arrive in Rome by December 1.

Dr. and Mrs. Nevil Monroe Hopkins have issued invitations for a supper party on the evening of November 30, following the debut reception of their daughter, Miss Anne Dorsey Hopkins.

The Duchesse de Richelieu is to give a song recital for the benefit of the French (ubertuous soldiers tomorrow afternoon at 4 o'clock, at the residence of Mrs. H. Mch. Twombly, Convent, N. J. Many prominent people are among the patronesses.

The Misses Helen and Elizabeth Hughes, the eldest and the youngest of the three daughters of the Republican candidate, who are spending the autumn in Washington at the National School, went to New York on Sunday to join their parents for the election day. They will return here on Thursday.

The Brazilian Ambassador and Mme. da Gama will go to New York next Sunday, where they will be the guests of Judge and Mrs. Elbridge Gerry, who will entertain at dinner in their honor.

ALEXANDRIA QUIET ON ELECTION DAY

Democratic President and Congressman Expected to Be Favored by Virginians.

ALEXANDRIA, Nov. 7.—A lodge in some vast wilderness could not be more quiet and orderly than is election day in this city. Voters began going to the polls shortly after 6:40 this morning, when the booths opened for the reception of the ballots, but nothing of an exciting character has occurred. Efforts are being made to bring out the full vote, which will mean a total of 1,900 if the fast is accomplished. The usual majority for President Wilson and Congressman Carlin is looked for. The polls will close at 5:30 p. m.

The most real life seen in the campaign was the arrival in the city last night of five automobile loads of men from Cherrydale who came here to serve as delegates to the election. The automobiles were lined up on each side carrying the names of Wilson, Marshall, and Carlin, and as they passed through the streets with horns and other music they lived up things in good fashion. Mr. Carlin gave them a reception at the Kika's home, on Prince street, where he extended them his thanks for the interest shown.

John Barrett, director of the Pan-American Exposition, will deliver an address in the National auditorium here on the evening of November 21 on his observation of the trenches in the European war. It will be given under the auspices of the Cameron Club for the benefit of the nurse fund.

The night school opened up last evening with 52 pupils under the instruction of three teachers, Miss Nellie Payne, Miss Elizabeth King and Miss Eddie Hickert. More students are to start later on.

Mrs. Kate Waller Barrett and Mrs. Rathbone Smith have gone to New York city for a visit of several days.

Mr. Tetreault will sail from New York November 15. He was appointed a clerk in the auditor's office in 1914, and in September, 1915, was transferred to the present position.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brewster Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve, and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless. Advt.
